

**Double wall tubes with a corrugated outer layer and a smooth inner layer,
manufactured in high-density PE.**

Uses

Suitable for underground sanitary drainage without pressure.

Characteristics

Colours

Russet and black

Standard

prEN 13476-1 and RP 01.45

Dimensions

**According to UNE 53994-2000
EX Chart 3**

Perforated surface

SN8

Packing

6 m. bars in pallets
